Here is an example of how you can earn!

Say you select a video from the list, the “benefits of doing squats”.

You then create your own version of that video using the software, just click, copy and paste is all that’s required to operate this software. Now you’re legally aloud to do this, just follow the instructions...

Once the video is completed, you upload to your channel.

We then show you how to sign up to the affiliate program that will offer you thousands of affiliate links of products and services.

You select the appropriate product that relates to your video. So, say you select a protein drink as it relates to health and fitness, which is what your video is about. So if that product pays you £10 in commission, from every sale. You select that link and add it to your video as per instructions.

People watch your video, and then click your link to buy the protein drink, and you have just made £10 plus, whatever the advertising pays you from You-Tube, Tik-Tok, etc!

Earning potential in massive!

This is a fully automated system and it can make you an unlimited passive income by simply following our instructions...

Why Video Shorts?

Video shorts are very popular and can attract millions of views compared to longer videos and they do it much quicker... So, not only can you earn from how many people view your video shorts but we will also show you how to select related products which you add to the video links below which will pay you from people that click on these links to purchase.

Now you will have to rely on affiliate links income while your video audience grows! This should happen fast as your using video shorts. You-Tube will only start paying you once you have 1000 subscribers and 4000 hours, so before you get the big money, your affiliate program will start paying before You-Tube. Having said that we have people who have hit these numbers in a few hours.

Remember; this is worldwide views... You can make a small fortune doing this!

Imagine if your video goes viral, you can make millions as your channel grows!

You have thousands of videos to chose from, so you can build your channel by adding more video's
